A quiet beauty risks it all to save a stranger, except the man she rescues is no man at all, but a fallen angel . . . one who has been admiring her in secret for years. The last thing Bridget Olsen needs is an unconscious man, bloodied and scarred, draped across her back deck. Aside from her overprotective brother, close proximity to any man usually sends her into a tailspin. But the sight of two solid steel wings jutting from the stranger's chiseled back gives her pause. Everything in her screams to call the police, but a dangerous curiosity and long-denied temptation outweigh her good sense, and she misguidedly helps him. For four years, Steel has silently watched over shy Bridget. His daily check-ins-and the reason for them-have been something he's kept from his warrior brothers. The secret eats at him every day, but it's one he'll never share. When the battle against the demon charmers intensifies, one unseen strike blasts him out of the sky and lands him at Bridget's doorstep-the one place he'd sworn to never go. An unspoken pull flares bright between them, and undeniable passion ignites their soul bond. When Steel's enemies return to finish the job they started, he and Bridget must summon the courage to come together and face their pasts before the demons destroy their futures.
