6 steps to becoming a better worker +

Ever thought about becoming a better worker (and maybe even get a promotion)? I'll teach you how to do it. +

6ème Sens +

Le 6ème Sens est un dispositif pour mesurer la qualité de l'air dans une classe. L'idée est de simplifier l'accès à la culture makers à l'école, de manière frugale, participative et impliquante, en privilégiant l'initiative locale. il s'agit aussi d'une démarche visant à répondre à un pb : changer les comportements (ici, aérer). +
