She agreed to play. She agreed to be mine. I won't let her change the rules of the game. Violence has always been part of my life. I was angry as a child, underchallenged and neglected, with no outlet for my dangerous rage. Years have passed, and I'm no longer a victim of my own aggression. I'm in control now. A control that many seek to surrender. Just like her. My Pet. The beautiful blonde who agreed to submit to my will. She agreed to be kidnapped and locked away until our contract is over. She's here to play a role. But her defiance seems too real, her terror too honest. Watching her struggle is bone-chilling. She's getting to me like no one ever has before, seizing a heart that cannot love. Or so I thought... **VIOLENT DELIGHTS is a Dark Romance with themes of kidnapping, captivity & steamy BDSM scenes. Intended for audiences 18+ & not for the faint-hearted. Contains situations some readers might find objectionable. NO cheating, NO cliffhangers and a guaranteed HEA. **
