A bright and colorful introduction to astrology for little ones! Inspire babies and toddlers with the wonder of the zodiac! Baby's First Zodiac introduces readers to each of the twelve signs and their very best qualities, from spirited Aries to gentle Pisces. Sweet rhymes and gorgeous art will encourage little ones to explore their own unique traits, interests, and talents, and to learn about the star signs of family members and friends. No matter your sign, Baby's First Zodiac is a delightful reminder all the wonderful things that make you YOU! Because perhaps part of who you are is written in the stars, see what your birth sign has to say about you... Does any of it ring true? A perfect gift for new parents and aspiring astrologers of all ages!
