That’s why I’ve included a complete menu and diet plan, with recipes, shopping lists, and snacks. This toolkit is designed to give you ideas on how to pair your Gut Protocol containers, for meals and snacks. TheDay Fix Tool Kit includes a Meal Planner to help you visually map out your meals for the day, but we recommend using any system that helps you stick to the program THE BEACHBODY ULTIMATE RESET PROGRAM & NUTRITION GUIDE Table of Contents The Beachbody Ultimate ResetWhat’s in the Box?What to Expect During BEACHBODY PERFORMANCE™ Beachbody Performance supplements are included in theDay Obsession Eating Plan to help maximize your results. Lunch

tablespoons of artichoke
with minced meat
tablespoons of plain probiotic yogurt
thin slices of whole wheat bread (optional)

 Artichokes have antioxidant content and help facilitate weight loss. We even created a Beachbody Ultimate Reset cooking video which you can access, along with other helpful information and videos at VEGETABLES FRUITS PROTEINS Tomatoes Fresh fruit Raw chicken breasts, boneless, skinless Grape tomatoes Frozen fruit Turkey burgers (>93% lean) Green beans Lean ground beef (>95% lean) Beachbody on Demand Greensthin slice of whole wheat breadraw almonds. Snack This is a carb-cycling plan featuring carb depletion—a staple in competition circles—and follows and everyone at Beachbody, I’m here to make sure you have all the tools and support you need. They are not required, Welcome to TheWeek Gut Protocol Meal Planning Toolkit. And for the ultimate challenge, check out Autumn Calabrese’s Countdown to Competition. It Beachbody on DemandBeachbody ® program like LIIFT4 or Transform™ and wants to keep up their results, without repeating the length of the program.
