Hamlet's "To be or not to be" speech might be the most famous use of infinitives in English literature. You appear so happy that something great must have happenedI have never been more sure of anything in my life. Learn more about filetype:pdf at The present perfect is used to communicate occurrences or experiences either completed or not completed in the past with a relation to the present. Results for filetype:pdf. Take your plate off the tableServe the pie to all your friends To form the present perfect tense, we join the present-tense auxiliary verb has or have to the past participle of a verb. The lioness ate like she hadn't eaten food in a weekTake your plate off of the table. I have never been more surer of anything in my lifeElla was the best of the two sisters at gymnastics Infinitives are formed when a verb is preceded by the word to, as in to run or to ask. One of the great misconceptions about English is that it is wrong to "split" an infinitive—that is, to put a word or words between to and the verb A and B are both correctThe lioness ate as if she hadn't eaten food in a week. This pairing connects the past with the present Come quickly or we will miss our busYou appear so happily that something great must have happened.
