Addeddate Identifier Who is behind Building a Second Brain Hi, I'm Tiago Forte. I've spent more than years researching and personally experimenting with a new way of organizing our digital lives and improving our productivity as creative professionals. As To help guide people in creating a Second Brain, Forte has developed a simple, intuitive four-part method called "CODE"—Capture; Organize; Distill; Express—which he Building A Second Brain by Tiago Forte. A trusted and Discover the full potential of your ideas and make powerful, meaningful improvements in your work and life by Building a Second Brain. A trusted and organised digital repository of your most valued ideas, notes and creative work, a Second Brain gives you the confidence to tackle your most important projects and ambitious goals Fundamentally, our brains are for having ideas, not storing them. So what did I think of this book? Of course, he uses other terms so you will have to buy the book for the more sophisticated terminology. For the first time in history, we have Now, this eye-opening and accessible guide shows how you can easily create your own personal system for knowledge management, otherwise known as a Second Brain. Building a Second Brain was overly verbose, wordy, with a lot of repetition This eye-opening and accessible guide shows how you can easily create your own personal system for knowledge management, otherwise known as a Second Brain. What started as a quest to deal with a chronic illness turned into a life-long mission to help you harness the full potential of your ideas and turn them Tiago Forte, the author, suggests a file system: Short-Term Activities, Long-Term Activities, Information, and Backup. It provides a clear, actionable path to creating a "Second Brain" – an external, centralized I've spent more than years researching and personally experimenting with a new way of organizing our digital lives This eye-opening and accessible guide shows how you can easily create your own personal system for knowledge management, otherwise known as a Second Brain. Who is behind Building a Second Brain Hi, I'm Tiago Forte. Building a Second Brain is a methodology for saving and systematically reminding us of the ideas, inspirations, insights, and connections we've gained through our experience.
