Every human being wants something. (\*cough\* Dabble Character Notes \*cough\*) Again, it's your process. A simple definition comes from YourDictionary: "The process of creating a believable character in fiction by giving the character depth and personality." There are a total of sections: Section The Basic Facts: This section includes questions to help you identify things like name, age, appearance, etc. Now, let's take a closer look at what's on this worksheet According to Thinkwriten, character development is defined as: "The process in creating a persona in a story AND the changes this persona goes through during the course of the story.". This is largely what it means to be human. It is a fillable PDF, which means you can use it for Character Development Worksheet Free download as PDF File.pdf), Text File.txt) or read online for free. Character Development WORKSHEET Name Personality Traits Use this section to detail how your character behaves in a variety of situations, including their "base" personality Character Development Question What do you most want? Hair color Strengths Nervous/Funny Ticks or Habits Eye color Weaknesses Height Age Birthday Finally, this character development worksheet is a fillable PDF, so you can fill it out right on your computer. But you can also print it out and write on it or even put your answers somewhere else entirely. To want, desire, crave, need, etc. By filling in our character development sheet for each character in your book, you will be able to ensure that they are all unique, and even highlight how one is a foil for another I created the Fictional Character Profile Worksheet to help writers understand their characters and develop motivations. These questions aren't designed to get to the "heart and soul" of your Character Development Sheet (print out copies and use for all your characters) ©C. S. Lakin Name of character Character Development WORKSHEET Name Personality Traits Use this section to detail how your character behaves in a variety of situations, including their "base" personality & what they show strangers they've never met before. This worksheet provides prompts to help flesh out characters by To help you get started in creating your characters, we've created this list of character development questions. Be thorough!
