Under each competency are three levels that show what behaviours will look like in practice. This framework will ensure that there are clear expectations Competency and Values Framework Implementation guidance OFFICIAL College of Policing Competency levels Each competency is split into three levels which show what behaviours will look like for roles of different levels of responsibility or complexity. It sets out nationally recognised behaviours and values, which will provide a consistent foundation for a range of local and national processes. Further guidance and information Competency and Values Framework Implementation guidance OFFICIAL College of Policing Structure The CVF consists of four values supporting six competencies The framework has six competencies that are clustered into three groups. This guidance provides information to all officers and staff and: introduces the CVF explains why it has been developed The Competency and Values Framework (CVF) sets out nationally recognised behaviours and values to support all policing professionals. All of the competencies are underpinned by four values that should support everything we do as a police service. The Competency and Values Framework (CVF) aims to support all policing professionals, now and into the future. The CVF has six competencies that are clustered into three groups. It sets out nationally recognised behaviours and The Competency and Values Framework (CVF) defines nationally recognised values and behaviours for policing. Under each competency are three levels that show what behaviours will look like in practice. The levels are cumulative, each one building on the level below The framework has six competencies that are clustered into three groups. The CVF describes the competencies and The Competency and Values Framework (CVF) aims to support all policing professionals, now and into the future. All of Introduction. All of the competencies are underpinned by four values that should support everything we do as a police service Competency and Values Framework guidance OFFICIAL College of Policing The Policing Professional Framework (PPF) Personal Qualities are being replaced by a new set of behaviours, the Competency and Values Framework (CVF). It provides a consistent foundation for local and national The Competency Values Framework (which is referred to as the CVF) has been developed by the College of Policing.
