Each player is allowed to choose an action during their turn. If you start your turn with more coins, you must take this action Taxes (the Duke): Take three coins from the bank. [5] Bluffing is a big part of playing Coup Your object is to destroy the influence of all the other families, forcing them into exile. Only one family will survive. For Our year-old took some time to get used to the nuances of the game but is now very competitive. In terms of player count, we think Coup plays best with more players. Have the person to the dealer's left start off the game and choose an action. We have found ours is perfect. You need to manipulate, bluff and bribe your way to power. Force one player to give up an Influence When playing Coup with two players, the starting player receives only one coin at the beginning of the game. Gameplay in Coup moves clockwise around the table. Your goal is to be the last player with influence. Can be challenged Assassinate (the Assassin): Costs three coins. As a variant, Coup can be played with two players with these changes to the setup: Divide the cards into sets of (each set has one of each character). Each player takes one set, secretly chooses one card and discards the rest Start with the player to the left of the dealer and perform an action. Cannot be challenged nor blocked. When cards of the same value have been discarded to the pile by one or several players, this is a "Swoop". Game duration from Description: Coup is a bluffing and deduction card game where you are the head of a family in a corrupt Italian city-state. Causes a player to give up an Influence card. The more players in the game the more it adds to the table talk and the depth of game play If the player plays a higher card than the previous player, that player must then pick up the pile and his turn ends. With each swoop, the cards played are swooped off the table and the player who made the swoop plays again and is You are head of a family in an Italian city-state, a city run by a weak and corrupt court. In Coup, you want to be the last player with influence in the game: Costs seven coins.
