Sage Publications, Inc. Abstract. Strategies for Self-Improvement and Change (SSC) provides a standardized, structured and well-defined approach to the treatment of substance abusing judicial clients. The efficacy and effectiveness of SSC depends on developing a positive relationship between the client and provider The accompanying Participant's Workbook to the SSC is written to engage clients and encourage active participation in treatment and responsible living per se. What unDerstanDInG treatMent, psYCHotHer-apY anD CounsellInG. The goal of Phase I of SSC is to help judicial cli-ents establish a stable living pattern that is free of SA (substance abuse) problems and CC. It is directed at the first goal of treatmentelimination of the dis- Abstract. The SSC curriculum is a program for the treatment of persons with a combined history of substance abuse (SA) Abstract. a resource section that provides sites for additional information Therapy, Reasoning and Rehabilitation, and Criminal Conduct and Substance Abuse Treatment: Strategies for Self-Improvement and Change (a program developed by the authors of this publication). But the goal of criminal conduct treatment is preventing recidivism (committing another crime). How can the criminal justice and drug abuse treatment systems reduce the spread of HIV/AIDS, hepatitis, and other infectious diseases among drug abusing offenders? Strategies for Self-Improvement and Change (SSC) provides a standardized, structured and well-defined approach to the treatment of substance abusing judicial title={Criminal conduct and substance abuse treatment: strategies for self-improvement and change, pathways to responsible living}, author={Kenneth W. Wanberg and Harvey Criminal conduct and substance abuse treatment: Strategies for self-improvement and change: The provider's guide. Chaptercovers "real world" issues that need to be addressed when provid ing CBT for offenders, such as diversity considerations and how to treat To learn more about CCSAT directly from the authors, please click here and view the Author Video. Alcohol and other drug research findings on addicted offenders distilled intoessential principles, a series of frequently asked questions (FAQs) about drug abuse treatment for those involved with the criminal justice system, and.
