Overview :

Introducing internationally bestselling author Bolu Babalola's dazzling debut novel, full of passion, humor, and heart, that centers on a young Black British woman who has no interest in love and unexpectedly finds herself caught up in a fake relationship with the man she warned her girls about. Sweet like plantain, hot like pepper. They taste the best when together... Sharp-tongued (and secretly soft-hearted) Kiki Banjo has just made a huge mistake. As an expert in relationship-evasion and the host of the popular student radio show Brown Sugar, she's made it her mission to make sure the women of the African-Caribbean Society at Whitewell University do not fall into the mess of "situationships", players, and heartbreak. But when the Queen of the Unbothered kisses Malakai Korede, the guy she just publicly denounced as "The Wastemen of Whitewell," in front of every Blackwellian on campus, she finds her show on the brink. They're soon embroiled in a fake relationship to try and salvage
