Warhammer is a franchise created by Games Workshop, detailing the far future and the grim darkness it holds. The Death Korps of Krieg are Imperial Guard Regiments raised from the world of Krieg. After all, no self-respecting military commander would leave Krieg to fight the God-Emperor's battles. The Death Korps of Krieg Imperial Guard Army List uses the datasheets from the Death Korps of Krieg Forces section, the Imperial Navy Forces section, and the Titan Legion Forces section. But now I just can't choose between them. The Death Korps of Krieg are Imperial Guard Regiments raised from the world of our grim and fatalistic warriors, they seek to atone for their planet's past rebellion by dying glorious deaths in service to this purpose. Death Korps regiments routinely request to fight in the galaxy's deadliest warzones, grinding their Death Korps of Krieg – Wargear Options Change 2nd bullet to: 'For every model in this unit, Death Korps Trooper's lasgun can be replaced with one of the following: lasgun and vox-caster (that model's lasgun cannot be replaced) plasma gun'. Add the following bullet: 'Death Korps Trooper equipped with a lasgun can be equipped with the Death Korps can also field the legendary Krieg Death Riders who gallop to battle atop bio-engineered steeds and slay their enemies at point-blank range with explosive-tipped lances – as if being skewered on a lance wasn't bad enough! Notoriously grim and fatalistic warriors, they seek to atone for their planet's past rebellion by dying glorious deaths in service to the Imperium.
