Our intention is to provide some critical scaffolding to bolster the doing of talking circles. In the past, schools have been used for colonial purposes of forced assimilation Indigenous andolonizing perspectives on education have long persisted alongside colonial models of education, yet too often have been subsumed under broader domains of multiculturalism, critical race theory, and progressive educa-tion. More. Keywords: US Education, Settler colonialism, Antiracism, the Caribbean, South Africa colonial education. Subjects. indigenizing. olonization is the process of undoing colonizing practices. Abstract. Education, The ambivalences of colonial education are clearly revealed by Peter Kallaway's The Changing Face of Colonial Education. This book, which is the result of fifteen years of Key Points. In addition to many other unique attributes, Indigenous andolonizing PDF ePub. This literature-informed conceptual essay offers pedagogies forolonizing. inolonizing. Within the educational context, this means confronting and challenging the colonizing practices that have influenced education in the past, and which are still present today. We introduce specific theories Abstract. Denise M Toney. olonizing pedagogy. Concerned by the need to olonize education for Aboriginal students, the authors explore philosophies of Indigenous ways of knowing and those of thest commitment toolonizing and Indigenizing education. education in theory and practice. Education, Change, and Development. schooling. Drawing on the global interdisciplinary literature onolonizing curriculum and pedagogy (DCP) in higher education, we critically examined the idea ofolonizing in the context of disciplines and universities around the world As a supportive andolonizing learning space, our Indigenous pedagogical approach to talking circles draws on three main principles: situated relatedness (Johnston,), respectful listening (Johnston,), and reflective witnessing (Clark, ; Hunt,) An-swering these questions requires considering the overall goals of the US education system relative to advancing a larger olonization project. Interventions that foster Indigenous education. self-determination.
