What is an assemblage? Here we have made use of everything that came within range, what was closest as well as farthest away. Since each of us was several, there was already quite a crowd. What is a rhizome? Brian Massumi Introduction: Rhizome The two of us wrote Anti-Oedipus together. The two of us wrote Anti-Oedipus together. Deleuze's rhizome resonates with a process ontology which Here we have made use of everything The sheer volume and complexity of Deleuze and Guattari's A Thousand Plateaus can be daunting. What is a war mac The great French theorists Deleuze and Guattari introduced the concept of the rhizome to allow educators to explore the educative process with the rhizomatic lens. The chapters The philosophical concepts of French philosopher Gilles Deleuze and his collaborative work with psychoanalyst Felix Guattari offer a new vocabulary for thinking about and Introduction: Rhizome Root, radicle, and rhizome—Issues concerning books—The One and the Multiple—Tree and rhizome—The geographical directions, Orient, Occident, America—The misdeeds of the tree—What is a plateau? Since each of us was several, there was already quite a crowd. The rhizome and the root-tree are botanical concepts employed by Deleuze and Guattari () in the second volume of Capital and Schizophrenia: A Thousand Plateaus From Introduction: Rhizome. Why have we kept our own names? In the following section I present the rhizome in the context of this conceptual development. We have assigned clever pseudonyms to prevent recognition. Since each of us was several, there was already quite a crowd. This is not intended to be an exhaustive account of Deleuze's work – instead, I shall focus particularly on the concepts of desire and virtuality to demonstrate their embeddedness in the concept of the rhizome From Introduction: Rhizome. THE RHIZOME AND ONTOLOGY If the previous two sections highlight uses of the rhizome that might result in stifling its dynamism and connectivity as a concept, this final section outlines a use that adheres more closely to the movement inherent in the concept of the rhizome. Here we have made use of everything came within range, what was closest as well as farthest away previously in Deleuze's work. The two of us wrote Anti-Oedipus together.
