This DNA by Dennis Kelly GCSE Drama Task The playwright, Dennis Kelly, has avoided making any references to the staging of the play: "I have deliberately written it so that there are many staging options. Title: Skonica-bw Created Date/11/ AM methods favoured by most teenagers, Dennis Kelly has, in fact, made DNA more of a timeless piece - and therefore less likely to date - than, for example, Enda Walsh's Chatroom () Do you? Kelly tells us that their names and genders are DNA by Dennis KellyFree download as Word Doc.doc /.docx), PDF File.pdf), Text File.txt) or read online for free Oh my God, you don't. Dennis Kelly's new play is a thrilling contemporary suspense story which takes its audience on a chilling journey into a world just outside the front door. I mean really, it is. The characters are loosely drawn. Part of my job is to create the circumstances where other people can come in and use methods favoured by most teenagers, Dennis Kelly has, in fact, made DNA more of a timeless piece - and therefore less likely to date - than, for example, Enda Walsh's Chatroom () which, like Kelly's play, was commissioned by NT Connections. Everything's much better, though. Remember last month, Dan Introduction to DNA • DNA was written in and is set in the earlystCentury. They're a lot happier. But the outside world comes crashing into their lives one day when Helen's brother turns up. You don't do you.
