I confirm that the above participant has attended during the above period and has averaged at least hour per week over this period. The Report makes up part a participant's Assessor Report. As an Assessor you are responsible for writing a participant's Assessor Report. The Report makes up part of the evidence which is used to sign off a participant's section. You can complete the sectional Assessor's Assessor's Report Pack. If the report is sent to the participant, they would need to copy the email and enter it into eDofE as a text file before saving and submitting it When the participant has completed the minimum time requirements and achieved their goals, the DofE requires a written report which is a The Assessors Report. This is called an Assessor's Report. When the participant has completed the minimum time requirements and achieved their goals, the DofE requires a written report, which is a record of their DofE programme.!!!! As an Assessor you are responsible for writing a participant's Assessor Report. Submitting a report There are two ways to submit Assessor's Reports. They do This is called an Assessor's Report. The main body should give more information on what the individual has undertaken over the duration of the section, and particularly how they have improved in the activity. When you are working towards completing each section, your Assessor, as well as supporting and encouraging you with your activity, will be monitoring you to see if you have demonstrated effort, perseverance and improvement for a minimum of either three or six months. When you have completed the minimum timescale for 4) Email to participant/leader. The Assessor's Report is written following the successful completion of the Residential section. The Assessor's Report is written following the successful completion of the Skills section The Assessor's Report When the participant has completed the minimum time requirements and achieved their goals, the DofE requires a written report which is a record of their progress. When the participant has completed the minimum time requirements and met the outcomes of the section, the DofE requires a written report The Assessor's Report. The Report makes up part of the evidence which is used to sign off a participant's section. The Assessor's Report. An assessor can submit a report by sending an email to the participant or their DofE leader, detailing the achievements of the participant as they undertook the section.
