Introduce children to the numbers 1 through 20 and the early concept of counting with this interactive trace-and-flip board book featuring bright and bold illustrations! This unique, innovative trace-and-flip book offers an engaging new way for children to discover numbers 1 through 20 and learn to count! Young readers can trace each number by following the tracks with a finger to become familiar with its shape. This engaging board will help children learn the numbers 120 and how to write them as they trace. Count up to 20 with helpful illustrations of objects that correspond to each number. Practice hand eye coordination as they lift the flap on each page. Keep entertained on road trips and airplane rides! To reinforce learning, caregivers are encouraged to help children trace each number and count each of the items on each page.
