Beautifully illustrated storybook telling the story of the birth of Jesus in fidelity to the Judeo-Christian scriptures. Explains Christmas in the context of creation, the fall, the nation of Israel and the Hebrew prophets in language that is accessible to children. Care has been taken to avoid non-biblical legends in telling the story. (For example the Bible has the Magi visiting Jesus as a small child in a house in Bethlehem, not as a baby in a stable on the night of his birth.) This Christmas storybook aims to create excitement around the true biblical narrative.
