BOWDRIE, TEXAS RANGER Lawman, manhunter, peacemaker it takes a hard breed of man to survive as a Texas Ranger, but Chick Bowdrie stands head and shoulders above the rest. The rough trails are his home, from the Big Thicket to the Pecos to the border. Hes dried by the desert sun and wind, scarred and toughened by uncounted gun battles, and when you look into his black eyes its like looking down the barrels of two .44s with their hammers drawn back. He rides in the name of justice, but he lives by his own law Bowdries Law. And if youre thinking about walking on the wrong side of Bowdries Law, youd better start running. Fast.
