ISBN-13: 9780593359655

In the third novel in the New York Times bestselling Iron Druid Chronicles, two-thousand year-old Druid Atticus OSullivan must take down the Norse god of thunder himself. A page-turning and often laugh-out-loud-funnycaper through a mix of the modern and the mythic. Ari Marmell, author of The Warlords Legacy When the naysayers say, Nay, dont mess with the man who wields the lightning bolts, ninety-nine times out of a hundred, the ancient Druid Atticus OSullivan would nod along and agree. But when multiple people convince him that Thor, the Norse god of thunder, needs to get got, he thinks maybe this is the one time he should ignore the advice of the wise even if those sages include deities who tend not to be wrong about very much. Because Thor has undeniably done somebody wrong many somebodies, in fact, and Atticus doesnt think he can simply dismiss it as someone elses problem. Plus he has made promises that he doesnt feel he can break, promises that will take him away from Midgard to the planes of the Norse, where his actions will create ripples throughout the nine realms. On top of that theres a turf war brewing amongst the vampires, a zealous group of mystic hunters called the Hammers of God running rampant, and a pack of werewolves who very much dont wish to see their leader taken off to Valhalla. In order to avoid being the nail underneath the hammer Mjllnir, Atticus will need every ounce of Irish luck he can muster, and maybe the help of a few deities in his corner. Dont miss any of The Iron Druid Chronicles HOUNDED HEXED HAMMERED TRICKED TRAPPED HUNTED SHATTERED STAKED SCOURGED BESIEGED
