Anything can happen on Dragon Isle... One feisty dragon + one desperate human = one fake marriage. Jax needs a wife in a bad way. He stands to inherit an incredible fortune, but there's one caveat: he has to get married, like, yesterday. He can't touch the money until he's claimed a mate. He's got to stay married for an entire year, and then if they go their separate ways, it's no big deal. One year of marriage? He could do that. Only, all of the ladies on Dragon Isle are girls he grew up with. Nobody is going to take a chance on this. Nobody would buy it. Then one drunken stranger changes everything... Melissa has absolutely nothing going for her. When her husband caught her by surprise last year and filed for divorce, she was stuck with half of his debt and...nothing. She had nothing. They lost the house, the cars, and their savings accounts because apparently, Kyle had a secret gambling problem she knew nothing about. When a handsome stranger approaches her in a random bar with a strange offer, she's intrigued enough to say yes. One year being married to a rich guy? One year without sex or love or romance attached? One year as long as she doesn't ask too many questions? Melissa can't sign up fast enough. Soon she discovers that Dragon Isle isn't a normal island, though. It's full of secrets, and she finds herself determined to figure out what Jax is hiding from her. \*\*\*DRAGONS ARE FOREVER is the first book in RETURN TO DRAGON ISLE. This is a spinoff of the DRAGON ISLE series by Sophie Stern. Reading the Dragon Isle books is highly encouraged, although not required in order to enjoy this story. Dragon Isle begins with STEPDRAGON, which is a quick read introducing the island, and is followed by MY LORD AND DRAGON.\*\*\*
