ISBN-13: 9780062225740

The seventh book in the award-winning comic fantasy Discworld series by Terry Pratchett. Unlike most teenaged boys, Teppic isn't chasing girls and working at the mall. Instead he's just inherited the throne of the desert kingdom Djelibeybia job that's come a bit earlier than he expected (a turn of fate his recently departed father wasn't too happy about either). It's bad enough being new on the job, but Teppic hasn't a clue as to what a pharaoh is supposed to do. After all, he's been trained at Ankh-Morpork's famed assassins' school, across the sea from the Kingdom of the Sun. First, there's the monumental task of building a suitable resting place for Dada pyramid to end all pyramids. Then there are the myriad administrative duties, such as dealing with mad priests, sacred crocodiles, and marching mummies. And to top it all off, the adolescent pharaoh discovers deceit and betrayal not to mention a headstrong handmaiden at the heart of his realm. Sometimes being a god is no fun at all...
