Étape 1 -

An Irish Country Cottage is a charming entry in Patrick Taylor's beloved New York Times and internationally bestselling Irish Country series. The New Year brings challenges and changes to the colorful Irish village of Ballybucklebo. The Christmas holidays have barely passed before a fire engulfs the humble thatched cottage housing of Donal Donnally and his family. Although the family escapes the blaze more or less unsinged, Donal, his wife, their three small children, and their beloved dog find themselves with nothing left but the clothes on their back. Good thing Doctors OReilly and Laverty are on hand to rally the good people of Ballybucklebo to come to their aid. Rebuilding the cottage wont be quick or easy, but good neighbors from all walks of life will see to it that the Donallys get back on their feet again, no matter what it takes.

Meanwhile, matters of procreation occupy the doctors and their patients. Young Barry Laverty and his wife Sue, frustrated in their efforts to start a family, turn to modern medicine for answers. OReilly must tread carefully as he advises a married patient on how to avoid another dangerous pregnancy. As a new and tumultuous decade approaches, sectarian division threaten to bring unrest to Ulster, but in Ballybucklebo at least, peace still reigns and neighbors look after neighbors. tags:
