"Dangerous Attraction takes the reader on a roller coaster ride of ups and downs. Just like an amusement park attraction, this book is a gripping story of danger, excitement, joy and sadness." - Kindle Customer Ex-Navy SEAL Travis Ration is an expert hunter. Whether his prey is criminal or victim, he always gets his mark. He's no hero, just a man doing his job. It's all he has after a felony conviction after a bad judgment call. When the FBI call in a favor and ask him to look into a serial killer over the holiday break, he jumps at the opportunity to fill the long, cold days with something besides regret and bad movies. In Las Vegas, he's on the hunt for a prolific serial killer no one wants to admit exists. The leads are dry and the evidence gone, until she walks into his life. Bliss Giles-curved, sassy, and everything he can't have. What's worse, Travis knows Bliss' sister is the killer's latest victim. She fits the profile. Time is running out and the fastest way to retrace the killer's path is with Bliss at Travis' side. In the seat of danger. He vows to keep Bliss safe and his hands to himself, after all, a nice girl like her doesn't need a guy like him in her life. Too bad no one told Bliss Travis was off-limits. She tests his boundaries and pushes his control every minute they're together until he can't remember why wanting her is a bad idea. The hunters become the hunted in this tale of serial killers and SEALs for hire. One broken man must unpack his baggage, a woman makes a leap of faith and a sister chooses to live.
