A painful saga of strength and reinvention perfect for fans of Jojo Moyes and Lisa Wingateset in two different times, as two young women come of age and uncover the mysteries of their families, and find their own ways in the world On a summer evening in 1931, Lilly Blackwood glimpses circus lights from the grimy window of her attic bedroom. Lilly isnt allowed to explore the meadows around Blackwood Manor. Shes never even ventured beyond her narrow room. Momma insists its for Lillys own protection, that people would be afraid if they saw her. But on this unforgettable night, Lilly is taken outside for the first timeand sold to the circus sideshow. More than two decades later, nineteen-year-old Julia Blackwood has inherited her parents estate and horse farm. For Julia, home was an unhappy place full of strict rules and forbidden rooms, and she hopes that returning might erase those painful memories. Instead, she becomes immersed in a mystery involving a hidden attic room and photos of circus scenes featuring a striking young girl. At first, The Barlow Brothers Circus is just another prison for Lilly. But in this rag-tag, sometimes brutal world, Lilly discovers strength, friendship, and a rare affinity for animals. Soon, thanks to elephants Pepper and JoJo and their handler, Cole, Lilly is no longer a sideshow spectacle but the circuss biggest attraction...until tragedy and cruelty collide. It will fall to Julia to learn the truth about Lillys fate and her familys shocking betrayal, and find a way to make Blackwood Manor into a place of healing at last.
