Built on the keystones of rhetoric, Everyone's an Author provides a strong foundation for authoring in the digital age: in college essays, but also on Everyone's an Author bridges the gap between the writing students already do--online, at home, in their communities--and the writing they'll do in college and beyond. It builds student confidence by showing that they already know how to think rhetorically and offers advice for applying those skills as students, professionals, and citizens. The "can-do" writing guide that helps students harness the power of rhetoric, Everyone's an Author with Readings, Andrea A. Lunsford, Michal Brody, Lisa Ede, Jessica Enoch, Beverly J.
