Grissom McCoy: Never lucky in love. Never lucky at much of anything...Former Army Ranger Grissom McCoy wakes up in Shady Creek Asylum, dressed in an ugly-as-sin orange jumpsuit and matching orange flip-flops. He can't remember jack, not how he got there and not where his sons are. His memory is shot, but Grissom is not a man who gives up. He will find his boys... If it's the last thing he does. Tuesday Smart: World famous photographer. Savvy world traveler...Tuesday lives the life others envy. She's rich and she gets to travel the world, photographing effects of climate change. She's been everywhere, twice. She has everything. Hollywood divas should be jealous of her. Heck, everyone should be jealous of her.If only they knew...
