Well-thought-out characters, madcap adventures, and Londons cunning, cagey elite... A fun ride with a colorful, adventurous heroine. Publishers Weekly First, USA Today bestselling author Vanessa Kelly brought readers The Renegade Royals. Now, in a delightfully witty new series, she introduces The Improper Princesses three young women descended from royalty, each bound for her own thrilling adventure... Despite being the illegitimate daughter of a prince, Gillian Dryden is happily ignorant of all social graces. After growing up wild in Italy, Gillian has been ordered home to England to find a suitable husband. And Charles Valentine Penley, the excessively proper, distractingly handsome Duke of Leverton, has agreed to help transform her from a willful tomboy to a blushing debutante. Powerful and sophisticated, Charles can make or break reputations with a well-placed word. But his new protge, with her habit of hunting bandits and punching earls, is a walking scandal. The ton is aghast... but Charles is thoroughly intrigued. Tasked with taking the hoyden in hand, he longs to take her in his arms instead. Can such an outrageous attraction possibly lead to a fairytale ending? Praise for Vanessa Kelly's Renegade Royals series Will definitely resonate with fans of Mary Jo Putney and Joanna Bourne. Booklist Kelly combines diverting dialogue, delightful surprises and finely tuned pacing to make this a winner. Publishers Weekly, starred review tags:
