Trace Caldo's smart mouth always gets him in trouble. As the youngest of three brothers, he's used to fighting to earn respect. But when he picks a fight with the wrong person, Trace ends up blindfolded with no hope for escape. And when a beautiful woman offers him a way to stay alive, Trace can't refuse her outlandish offer. Ana Marie Kelly appears to live a charmed life. Raised in a wealthy family, she has everything a woman can want-if you don't count freedom. Ana's always been under her father's thumb, expected to do as she's told and not bring shame upon the family. But when Ana makes a mistake that could send her life in a tailspin, she can only think of one way out-the handsome man in her father's garage....and their only way out is to say, "I do." Torch is the eleventh full-length standalone novel in the Men of Inked Heatwave series by Wall Street Journal and USA Today bestselling author Chelle Bliss.
