Il y a pourtant, outre leur biographie, une étonnante parenté dans leur œuvre: la lumière. Frederic Lenoir explores what the greatest thinkers — Aristotle, Plato, Chuang Tzu, Voltaire, Spinoza, Schopenhauer, Kant, and Freud — have to add to the ongoing conversation on happiness. At the base of it, there is sentiment and all the others come from these three: desire whom express our effort to persevere into our own being, second is the joy allowing our power to act and finally, sadness A huge bestseller in Europe, Frederic Lenoir's Happiness is an exciting journey that examines how history's greatest philosophers and religious figures have answered life's most fundamental question: What is happiness and how do I achieve it?
