When Molly came back to Ireland, she was excited to immerse herself with family and friends. But murder? Molly McGuire returns to Ireland when her marriage in the United States comes to an end, looking forward to reconnecting with her family. Molly isn't overjoyed when her childhood nemesis, Margery Denton, shows up at her welcome home party, and even less thrilled when she finds out Margery is dating her brother, Dillon! When Molly, known globally as a klutz, stumbles across Margery's body, both she and her brother are suspects. Molly decides to channel her inner Miss Marple and find the real killer, even though sexy Garda Detective Liam Fitzgerald wants her to stay out of it. Can Molly fumble through the clues and figure out who the killer is before the wrong person is arrested for murder? Clean read: No graphic violence, sex, or strong language. **Re-edited 2024**"Cindy Kline has delivered a delightful cozy mystery with broad appeal" - Indies Today "If you like cozy mysteries you will love this one. The characters come alive and the setting is described so well that you feel you are present. The story follows a well developed story line and you are never confused as to what is happening. Good job."
