Featuring the entire Beautiful series cast for one final hurrah! A free-spirited girl in need of a break. A man weighed down by responsibility. A road trip vacation where all bets are off. Oh, and a lot of wine. After walking in on her boyfriend shagging another girl in their place, Pippa Bay Cox ditches London for the States to go on a drunken road trip with Ruby Miller and some of her Beautiful friends. Scaling the career ladder is the default way to deal with heartbreak and to just deal for Jensen Bergstrom. Absolutely buried by his drive and workload, he rarely takes time for himself. But when his sister Hanna convinces him to join the gang on a two-week wine tour, he has a rare moment of cutting loose. Of course, its only once hes committed that he realizes the strange girl he met briefly on the plane is coming along, too. She might be too much for him or he might realize his life has become too small and needs her to make it bigger, crazier. With this circle of friends theres always something going on from Chloe and Saras unexpected personality swaps to Wills new domestic side to Bennetts text message barrage and Georges own happily-ever-after. In short, their adventures in love, friendship, and hilarity are nothing short of Beautiful.
