The answer to the end lies at the beginning... One hundred and fifty years ago, a terrible curse descended on the Wilcox clan, dooming generations of women to an early death should they bear a child to the bloodline of Jeremiah Wilcox. Now Angela McAllister is carrying Connor Wilcox's child, and if she can't find a way to break the curse, that same doom will fall upon her. The solution to her dilemma lies somewhere in the past-her own, and that of the woman who cast the curse so many years before. Angela's quest to find the answers she needs will transform the lives of everyone she knows, Wilcox and McAllister alike, and will forever change everything she has ever believed about herself.
