From the Amazon Bestselling Jacksonville Rays Hockey Series comes a Happily Ever After novella full of spice, laughter, and so much love. Curious to know what happened to Rachel and the guys after that fateful hockey game in LA? PUCKING EVER AFTER VOL 1 provides readers with a six-chapter peek into the future of Team Price. Bonus content in this volume spans four years after the end of PUCKING AROUND." Show me all the ways I'm yours." I would bury myself in you, wife. No beginning. No end." Mars, if this is your baby, please don't name him Flrp." PUCKING EVER AFTER VOL 1 is a special collection of bonus scenes meant to be read after PUCKING AROUND. It is a spicy 'why choose' hockey romance. A list of tropes and tags can be found at the author's website.
