Welcome back to Fools Gold, California where mans best friend might just be mans best matchmaker in this irresistible book from New York Times bestselling author Susan Mallery! Previously published. Montana Hendrix has found her calling working with therapy dogs. With a career she loves in a hometown she adores, shes finally ready to look for her own happily ever after. Could one of her dogs help her find Mr. Right or maybe Dr. Right? Surgeon Simon Bradley prefers the sterility of the hospital to the messiness of real life, especially when real life includes an accident-prone mutt and a woman whose kisses make him want what he knows he cant have. Scarred since childhood, he avoids emotional entanglement by moving from place to place to heal children who need his skillful touch. Can his growing feelings for Montana lead him to find a home in Fools Gold, or will he walk away, taking her broken heart with him? Read more in the Fools Gold series: Book 1: Chasing Perfect Book 2: Almost Perfect Book 3: Finding Perfect Book 4: Only Mine Book 5: Only Yours Book 6: Only His Book 7: Summer Days Book 8: Summer Nights Book 9: All Summer Long Book 10: A Fools Gold Christmas And even more books available in the Fools Gold series!
