For fans of M.C. Beaton, Martha Grimes, and Alexander McCall Smith, the first in a charming new mystery series set in the English countryside, as a retired San Diego police detective embarks upon group walking tours in Englands most scenic countiesAfter a long career as a detective in San Diego, RickChase Chasen has traded in his badge for a change of scenery in the coastal comforts of Devon, England, until a local murder takes him on a deadly detour . . . Still grieving the death of his long-time partner, Chase reunites with his dear friend and fellow Anglophile Billie Mondreau for a seacoast holiday of historic sightseeing. Assigned a pair of guides from the tour company Wanderers, Chase and Billie join seven other like-minded Americans looking forward to an English getaway. All except for Ronald Gretz. The wealthy entrepreneur behind the international Golden Sunset nursing home chain doesnt like anything about walking, touring, or England. Coarse and opinionated, Gretzs complaints get on the nerves of his fellow Wanderersand his long-suffering trophy wife.But Gretzs gripes are tied to his own nerves being frayed. He has been receiving threatening texts and emails signedAn Avenger. Convinced someone means him harm, Gretz asks Chase to watch his back. Soon, Gretz falls afoul of severalaccidents, leading to more friction with the other walkers. Until one finalaccident results in Gretz dead at the bottom of a cliff.Chase, whose investigative instincts remain sharp, knows Gretzs death was no accident. While helping the police investigate, he discovers that members of the tour group not only disliked the victim but had legitimate motives for wanting him dead. Now, he just has to uncover who among them is willing to kill . . .
