Veterinary student Dutton Glenroth isnt on speaking terms with his sister, Mary, but he isnt about to let his niece and nephew suffer because of it. He knows they have very little, so for the holidays, he makes up a basket of gifts for them and leaves it outside their door. But the kids are getting older, and this year Dutton finds it difficult to pick out their gifts. When he asks for help at Fosters Toys, he runs into Randy Grant, his high school crush, who even volunteers to wrap and deliver the gifts with Dutton. Suddenly Duttons normally lonely holiday has a spark of Christmas cheer. Will this be the year he gets the holiday hes always longed for?
