Two beautiful women have been found strangled in the studio of a well-known London artist. To investigator William Monk and his wife, Hester, the murders are a nightmare. One of the victims is the wife of Hesters cherished colleague, surgeon Dr. Kristian Beck, a Viennesemigr who becomes the prime suspect. With an intensity born of desperation, the Monks seek evidence that will save Dr. Beck from the hangman. From Londons sinister slums to the crowded coffeeshouses of Vienna, where embers of the revolution still burn in the hearts of freedom-loving men and women, Hester and Monk seek to penetrate not only the mystery of Elissa Becks death but the riddle of her life.
