Jen Kingwell's Quilt Recipes is a brilliant pairing of captivating pieced patchwork projects and delectable desserts. Food and quilts symbolize comfort to designer Jen Kingwell. Her decade-long vision in creating a collection of quilts, family recipes, and home interiors culminates in this one-of-a-kind, 192-page hardcover volume. Twelve quilt patterns are a brilliant mix of quirky fabrics paired with stripes, petite plaids, delicate lawns, and a sprinkling of brights. Savor each of eight dessert recipes, all timelessly tested, lovingly passed down, and fondly shared. Throughout, Jen connects with makers over a love of quilting, family, and indulging in the sweeter things in life. Video
