This sample form highlights key information that is required by the No Surprises Act Example of a good faith estimate This Good Faith Estimate shows the costs of items and services that are reasonably expected for your health care needs for an item or service. *Enacted as part of the Consolidated Appropriations Act, (Pub. HHS considers use of the model notice to be good faith compliance with the good faith estimate requirements to inform an individual of expected charges Below is an example of a good faith estimate form for uninsured (or self-pay) individuals who are expected to receive a bill for their care. This GFE estimates your settlement charges. The estimate is based on information known at the time the estimate was created. At your settlement, you will receive a HUD-1, a form that lists your actual costs OMB Control Number [XXXX-XXXX] Standard Form: "Good Faith Estimate for Health Care Items and Services" Under the No Surprises Act. (For use by health care providers no Providers and facilities must also explain the good faith estimate to you over the phone or in person if you ask, then follow up with a written (paper or electronic) estimate, per your use of the standard good faith estimate form or permit use of the abbreviated (no cost) good faith estimate form, then fill in the blanks with the appropriate information on the appropriate form. The Good Faith Estimate does not include any unknown or unexpected costs that A new patient-provider dispute resolution (PPDR) process is available for uninsured (or self-pay) individuals who get a bill from a provider that is substantially in excess of the expected charges on the good faith estimate. L.) Good Faith Estimate (GFE)Required services that we select These charges are for services we require to complete your settlement. We will choose the providers of these A new patient-provider dispute resolution (PPDR) process is available for uninsured (or self-pay) individuals who get a bill from a provider that is substantially in excess of the Good Faith Estimate (HUD-GFE)Instructions.
