Ghost Roast delivers a paranormal adventure full of first crushes, lost histories, and the impossible task of fitting in when your dad is a professional ghosthunter. A stand-alone YA graphic novel from authors Shawne and Shawnelle Gibbs and artist Emily Cannon! For as long as she can remember, Chelsea Grant has tried everything she can think of to distance herself from the disastrous damage her father does to her social life. It's not easy to shake her reputation as Ghost Girl when Dad keeps advertising his business as a "paranormal removal expert" in big, bold, loud letters all over New Orleans! This year, Chelsea's all grown up, attending one of the most prestigious high schools in the city, and she's finally made friends with the popular crowd. Things are looking up until a night on the town backfires spectacularly, landing her in hot water at home. Her punishment? Working for her dad at Paranormal Removal Services. All Summer. Worst of all, her new job reveals an unexpected secret she has to keep. While Dad hunts ghosts with his own DIY tech, Chelsea can actually see them. And when she meets Oliver, a friendly spirit, at the fancy mansion her dad is getting a handsome fee to exorcise, she realizes she has to save his after-life, even if it risks everything her father's worked for.
