Though the Reconstruction era () had sought to right the wrongs done to African Americans during slavery, not much had changed in the way of their civil rights after Reconstruction ended. The freedman's friends in Congress, therefore, passed the 14th Amendment to the Constitution. From the 1870s into the 1890s, a majority of American states enforced segregation through Jim Crow laws (so called after a black character in minstrel shows). From Delaware to California, and from North Dakota to Texas, many states (and cities, too) could impose legal punishments on people for consorting with members of another race. Jim Crow laws were state and local statutes that legalized racial segregation. The Jim Crow Era legalized, normalized or reintroduced the vices experienced by African Americans during enslavement and the Reconstruction Era such as political disfranchisement. The new Jim Crow is the old Jim Crow practices were but one. Even before Brown v. Board of Education, the civil rights of blacks began to be further impinged upon by a series of laws, collectively called Jim Crow laws. Enacted after the Civil War, the laws denied equal opportunity to Black citizens by. The freedman and his friends disagreed with Southerners on the purpose of the Black Codes. In these lessons, students will examine the origins of the "Jim Crow" character as well as the impacts the laws had on African Americans and other members of the community. By the end of the 19th century, laws or informal practices that required that African Americans be segregated from whites were often called Jim Crow practices, believed to be a reference to a minstrel-show song, Jump Jim Crow. With the Compromise of 1877, political power was returned to Southern whites in nearly every state of the former Confederacy. The 14th Amendment: A Reaction to the Black Codes. They believed these laws were passed to keep black people in the state of poverty and humiliation they had suffered as slaves. David K. Fremon. Board of Education, 9 opponents of desegregation and racial equality—both Southern and Northern. Microsoft Word Jim Crow Nurses: No person or corporation shall require any white female nurse to nurse in wards or rooms in hospitals, either public or private, in Jim Crow laws and racism in American history: David K. Fremon: Free Download, Borrow, and Streaming: Internet Archive. Publication date OVERVIEW.
