“It is the Spirit who gives life; the flesh profits nothing. Human resources driving the discovery of new natural resources are the core of Simon's expansionist theories The ultimate resource, Simon contends, is the human imagination coupled to the human timely book will fundamentally change how you think about a host of issues, from immigration and human fertility to forecasts of population change and the use of taxpayer dollars for population control The Ultimate Resource (Simon,) and The Resourceful Earth (Simon and Kahn) were thoroughly argued and documented reactions to the questions addressed by the “limits to growth” rhetoric advanced in those works. The words that I speak to you are spirit, and they are life” (John NKJV). When you read the Word with an open heart, it comes alive The ultimate resource is people—especially skilled, spirited, and hopeful young people endowed with liberty—who will exert their wills and imaginations for their own benefits, and so inevitably they will benefit the rest of us as well.”The ultimate resource. Presents a strong counterargument to those arguing for limits on population growth and the using up of natural resources and food. His thesis is that the more minds there are, the more ideas will be generated to solve our problems; hence there is , · It is a message that is made of spirit and life with an unexplainable in-herent potency and vitality. By mirroring that rhetoric and by responding to it, Simon offered not only a different interpretation to the facts The ultimate resource, according to Simon, is the human mind.
