The 2023 Kovels Antiques and Collectibles Price Guide is the most complete and best-illustrated price guide available with 12,500 listings and more than 3,100 full-color photographs from the most trusted name in the industry. The Kovels are the most trusted source for both the casual and expert collector. With 12,500 actual prices and 3,150 full-color photographs, the guide also features exceptionally well-organized, wide-ranging, and up-to-the-minute information, and includes more tips, marks, logos, and photographs than any other competitive title. Kovels is the only guide with prices based on actual sales from the previous calendar year, never estimates. Unlike other guides, which focus almost exclusively on English or high-priced items, Kovels covers all American and international items and includes reasonably-priced goods. The book is organized by categories most sought-after by collectors, including depression glass, dolls, jewelry, furniture, porcelain, and sports memorabilia. Indexes, cross-references, and expert commentary throughout empower readers to collect with confidence and price their own antiques.
