The information concerns, for example, the qualifications offered, the learning, teaching and assessment procedures, the level of programmes, the individual educational components and the learning resources. Please note: All three parties should sign your Online Learning Agreement before the start of the semester abroad. Compulsory justification Learning agreement. It is an agreement between the student, the sending institution and the receiving institution, organization or enterprise. The Learning Agreement is developed collaboratively by the student, field instructor, and faculty field liaison. Sets the framework conditions for the student and staff mobilities which take place between higher education institutions. The completed Learning Agreement then represents the student's specific objectives for the pdf version of your LA signed by the receiving institution.
