A hilariously filthy tale of sex, crime, and family dysfunction from the brilliantly twisted mind of John Waters, the legendary filmmaker and bestselling author of Mr. Know-It-All. Marsha Sprinkle Suitcase thief. Scammer. Master of disguise. Dogs and children hate her. Her own family wants her dead. Shes smart, shes desperate, shes disturbed, and shes on the run with a big chip on her shoulder. They call her Liarmouth until one insane man makes her tell the truth. Liarmouth, the first novel by John Waters, is a perfectly perverted feel-bad romance, and the reader will thrill to hop aboard this delirious road trip of riotous revenge.
