Register Notes focus Addeddate Identifier longman-collocations-dictionary-and-thesaurus-for-intermediate-advanced-learners Identifier-ark The Longman Collocations Dictionary and Thesaurus is a unique blend of two dictionaries, helping learners of English to choose the correct word and collocation every time. Based on corpus research, this dictionary ensures that you find the correct combination of words to use in every context – the words that a native speaker of English would use. That is why it is much more effective to learn collocations rather than individual words. Learning collocations will also prevent common mistakes made by students when translating from L1 into L2. Longman's Collocations Dictionary and Thesaurus is an excellent work covering thousands of those all-important collocations.
