From an author who is writing in P.D. James territory (Associated Press) comes a compelling Scotland Yard detective novel in the entertaining Duncan Kincaid and Gemma James series. Perhaps it is a blessing when Jasmine Dent dies in her sleep. At long last an end has come to the suffering of a body horribly ravaged by disease. It may well have been suicide; she had certainly expressed her willingness to speed the inevitable. But small inconsistencies lead her neighbor, Superintendent Duncan Kincaid of Scotland Yard, to a startling conclusion: Jasmine Dent was murdered. But if not for mercy, why would someone destroy a life already so fragile and doomed? As Kincaid and his capable and appealing assistant Sergeant Gemma James sift through the dead woman's strange history, a troubling puzzle begins to take shape a bizarre amalgam of good and evil, of charity and crime...and of the blinding passions that can drive the human animal to perform cruel and inhuman acts.
