It is also the self of others, being greater than the individual. The ego recedes more and more to make room for the self, changing the individual until the ego has disappeared · Soul-image: The representation, in dreams or other products of the unconscious, of the inner personality, usually contrasexual. A man is both, ego and self. "One" is the first and original state of · Access-restricted-item true Addeddate Bookplateleaf Boxid IA Camera · The self is not wholly personal. Since these relationships are very common, the soul One has one's own personal view of it, but at the same time it is also, in a sense, more general. gle SheetsLoading When you add the three to the four, of course, you getEach of the numbers from One to Seven has a symbolic psychological meaning. (See also anima and animus.) Wherever an impassioned, almost magical, relationship exists between the sexes, it is invariably a question of a projected soul-image.
